Project Address: 185 E 11TH AVE

Permit Number: 24-00162-01

A Temporary Certificate of Occupancy (TCO) has been issued for your project. It can be printed from our website at:

<https://pdd.eugene-or.gov/BuildingPermits/PermitDetails?log=24-00162-01>

The Temporary Certificate of Occupancy button will appear near the top of the screen.

The authorization for occupancy granted by a TCO is valid only for a period of time, and is subject to the conditions of use printed on the certificate.

Please continue to make progress towards project completion and schedule all remaining required inspections in a timely manner.

You can schedule inspections on your project at:

<https://pdd.eugene-or.gov/BuildingPermits/InspectionLogin?PermitNumber=24-00162-01>

If you have any questions about inspections for your eBuild project, please contact the Inspection Support at inspectionssupport@ci.eugene.or.us or by phone at 541-682-5283. We're available Monday through Friday, 7:30 AM to 4:00 PM.

Thanks for using the City of Eugene's [eBuild Permit System](#).
